Graduation Checklist
For Degree and Certificate Candidates

Tunxis Community College offers two graduation dates (Spring and Fall). Graduation dates pertain to the date students will have met all program requirements for their degree/certificate. Please note - Commencement for both dates is in May.

- Prior to seeing your Advisor, print a copy of your unofficial transcript from myCommNet. Obtain a graduation guide from the Faculty Offices or the Academic Advising Center.
  - Verify that you are enrolled in the correct major(s); if not, complete and submit a Change of Program form to the Records Office;
  - Verify that all applicable transfer credits have been accepted and are on your Tunxis transcript. If not, contact Admissions at 860-773-1490.

- Schedule an APPOINTMENT with your Advisor or Counselor. Be sure to bring your unofficial transcript(s) and graduation guide(s). Together you and your Advisor will confirm eligibility to graduate. Your completed graduation guide(s) must then be signed by you and your Advisor/Counselor.

- Make certain you have met all your FINANCIAL OBLIGATIONS. This includes any outstanding liabilities with the Business Office or Library.

- Obtain and fill out a GRADUATION APPLICATION from the Records Office at the beginning of your final semester. Submit your completed application together with your graduation guide(s) by the application deadline. The Records Office will only accept applications that include a complete, signed graduation guide. Students will receive a graduation status report within four weeks of submission. No graduation fee is required.
