Mission Statement: Tunxis offers its students a quality, yet affordable education in an accessible and supportive environment, fostering the skills necessary to succeed in an increasingly complex world.

Vision Statement: Tunxis will be a vibrant educational and cultural center responsive to current as well as emerging student and community needs.

Tunxis Community College is accredited by the New England Association of Schools and Colleges, Inc. (NEASC), a non-governmental, nationally-recognized organization whose affiliated institutions include elementary schools through collegiate institutions offering post-graduate instruction.

Tunxis does not discriminate on the basis of race, color, nationality, ethnic origin, religion, sex, marital status, sexual orientation, disability or criminal record in its educational and employment practices, nor does it discriminate on the basis of political beliefs or veteran status.

The College makes every effort to maintain the schedule of courses as announced in this publication. However, the College reserves the right to change instructors, withdraw courses, change rooms or cancel courses without previous announcement, based on enrollment, budget, or other constraints.

IMPORTANT INFORMATION – WINTER 2013/SPRING 2014

● Auditing Courses:

Students who do not wish to earn course credit may opt to audit a course. Audited course(s) will be shown on the student's transcript with the notation "AU" in the grade column and will not carry any credit hours or quality points. To audit a course notify the Records Office at time of registration but no later than the deadline date posted in the course schedule. Students pay the regular tuition and college fees.

● Follett's Bookstore at Tunxis CC (Information Line 860.255.3450):

A list of textbooks is available by going to txcc-shop.com. We recommend you register for classes before purchasing textbooks, as different course numbers may have varying requirements. Acceptable payment methods include: Cash, VISA, MasterCard, Discover, American Express or personal check (I.D. required). **Please keep your receipt. All refunds or exchanges of any kind must be accompanied by the original cash register receipt.** All new and used textbooks are returnable for a full refund or exchange by the return date on your receipt, within the return guidelines. After this time, returns or exchanges will be made only within 2 business days from the date of purchase. All new text purchases made during final exams or the last week of classes are **FINAL**. No returns or exchanges. All new textbooks must be returned in their original new condition with no writing, erasing, or damage of any kind. **Books sold in plastic shrinkwrap are only returnable if unopened.** Please be sure you have the correct book and are certain you want to keep it, before it is opened. Refunds of purchases made by personal check will only be made after 10 business days from the date of the check. Visit Txcc-shop.com for more details. See page 28 for additional information.

To learn more about renting textbooks and digital textbooks go to: TXCC-SHOP.COM

● Confidentiality of Student Records:

Tunxis Community College views student educational records as confidential information that cannot be released without the written consent of the student. Some information is considered to be *Directory Information* and may be released without written permission: name, address, dates of attendance, full- or part-time status, graduation dates and honors. Students who do not want the College to release this information may complete the *Request for Non-disclosure of Directory Information* form available on the Tunxis web site (See FERPA) and at the Records Office.

● Course Cancellations:

The College reserves the right to cancel courses for which there is insufficient enrollment or to modify parts of the course schedule for fiscal or other reasons. Students will be notified of a cancelled course and will be entitled to 100% tuition and fees refund.

● Course Changes (Add/Drop):

(Not Applicable to winter session.) Students may ADD and DROP courses up until the first week of classes. Those who wish to make schedule or course changes may do so without penalty on a space available basis through the Records Office by completing a *Change in Schedule* form. Courses may be dropped via my.commnnet.edu.

● Course Confirmation:

Course confirmation of your registration is **NOT** mailed by the College. Students may confirm and/or print their schedules by going to my.commnnet.edu.

● Course Withdrawal:

Students may withdraw from a course with a transcript notation of "W." Refer to **Academic Calendar** for deadline. Course withdrawal may be completed online at my.commnnet.edu or by submitting a *Change in Schedule* Form to the Records Office. A course withdrawal will make you ineligible for the semester's Dean's list; may affect your academic standing; and impact your full-time/part-time status.

Visit tunxis.edu for additional information.

IMPORTANT INFORMATION – WINTER 2013/SPRING 2014

● Enrollment Verification:

Verifications for insurance, student loan deferments and employment are processed through the National Student Clearinghouse (NSC), as authorized by the State of CT. Using the student I.D.# (NET ID), students print their own “official” authentic Enrollment Verification Certificate (available after the add/drop period) at **my.commnet.edu**. For more information, call the 24-hour information line at 860.255.3523 or refer to tunxis.edu.

● Financial Aid (860.255.3510):

Financial aid applicants must be enrolled in a degree or eligible certificate program to be qualified for financial aid. You should apply for financial aid as soon as possible. If your financial aid is not complete before you register, see the Tunxis Business Office regarding an optional payment plan. For more information see “How to Apply” in the financial aid pages of the Tunxis web site (tunxis.edu).

Veterans and service members (active and reserve) may be eligible for educational assistance under the GI Bill and the Connecticut tuition waiver. Dependents may also be eligible. Please contact Veterans Affairs at 860.255.3513.

Turn to page 18 for more Financial Aid information.

● Graduation:

Students who anticipate completing program requirements must submit a Graduation Application together with a signed program guide (available online and at the Records Office) by **March 1** of the year they plan to graduate. Additional information is available on the College web site.

● Grade Reports:

Grades are available online at **my.commnet.edu** approximately one week after the semester ends. A student seeking a Final Grade Mailer for employee reimbursement or other purposes must submit their request in writing to the Records Office or complete the Grade Mailer Request form available on our web site. No fee is charged for a Grade Mailer.

● ONLINE Education Course Information:

See page 13 for information.

● Room Assignments:

Room assignments will be posted in the main foyers of the Administration Building and main entrances to all buildings around campus prior to the start of the semester. You should also check room assignments at **my.commnet.edu** prior to the start of class due to last minute changes.

● Senior Citizens' Registration:

Tuition is waived for most General Fund courses (fall and spring only) on a space-available basis. Studio and lab fees are not waived and must be paid at the time of registration. Proof of age (62 or older) must be shown at time of registration.

● Self-Service Student Information System:

See page 14 for details.

● Student Degree Evaluation:

An unofficial degree audit is available by going to the Student Records link available at **my.commnet.edu**. Official degree audits, required for graduation, are conducted by the Registrar's Office.

● Student I.D. (NET ID) Password & Resets:

For your security and protection, College policy prohibits the issuing of student I.D. (NET ID) numbers OR password resets over the phone or email. Students may obtain their student I.D. (NET ID)/Password by going to **my.commnet.edu** and selecting “Forgot Your student I.D./NET ID or Your Password.”

● Transcripts:

You may submit an official transcript request online at **my.commnet.edu** if you are a student who has attended within the past two years **and** you know your student I.D. (NET ID) **and** Password. Otherwise, please complete the form available at tunxis.edu by selecting “Records Office” then “Transcript Requests”. There is no charge for transcripts.

PLACEMENT TESTING – WINTER 2013/SPRING 2014

An Application for Admission form MUST be submitted to the Admissions Office (860.255.3555) one week prior to placement testing. Tunxis Community College requires placement testing or proof of exemption status prior to enrollment at the College. New applicants are asked to take the Accuplacer Placement Test to assess their English, reading, and mathematics skills. Exemptions exist for students with appropriate SAT or ACT scores or for students who have successfully completed college-level English and/or math. (Additional information and exemption forms are available in the Academic Support Center.) Note: if a student requires accessibility or accommodation arrangements for placement testing, please call Valerie Hamilton-Brodie at 860.255.3575.

All new students must complete placement testing requirements by the time they have completed 6 credits. No student may register for English, Mathematics, English as a Second Language (ESL) courses or courses requiring Math or English as a prerequisite, without taking placement tests or providing proof of exemption. ESL students should test and complete their ESL program requirements before attempting the ACCU-PLACER College Placement Test. ESL students have some flexibility with the 6-credit rule.

Please call 860.255.3570 for a reservation (seating is limited). Testing takes place in the Academic Support Center. Most students complete the test in approximately 2 hours. For details please visit the Academic Support Center in person or online. **For testing schedule and more sample questions: go to tunxis.edu/asc.**

4 EASY WAYS TO REGISTER FOR WINTER 2013 CLASSES

1 IN-PERSON: Students may obtain a registration form from the Records Office. If the course you intend to register for requires a prerequisite, please bring your proof of prerequisite compliance (unofficial college transcript) with you as you may need to meet with an advisor to have your course selection approved. If you would like to make an appointment to meet with an advisor prior to registering, please contact the Academic Advising Center at 860.255.3540.

2 BY MAIL: *Tunxis CC Records Office, Winter Registration, 271 Scott Swamp Road, Farmington, CT 06032* Please include completed Registration Form (p. 11) and payment. **New** students **MUST** submit an Admissions Application along with \$20 fee. **Proof of Prerequisite** **MUST** be included if you are registering for a class with a prerequisite.

3 BY FAX: **860.255.3534** – Please include completed Registration Form (p. 11) and payment. **New** students **MUST** include an Admissions Application along with \$20 fee. **Proof of Prerequisite** **MUST** be included if you are registering for a class with a prerequisite.

4 OVER THE WEB: **my.commnet.edu**. Please note: this option is **available to current/returning students only**. You must have a Student ID# (NET ID) and password to register online. See below for details.

WINTER REGISTRATION BEGINS FRIDAY, NOVEMBER 1 **NO FRIDAY IN-PERSON REGISTRATION. Tuition is due in full at time of registration.**

All registrations must be processed by the Records Office prior to the first class.

WEB Registration 24 hours/7days a week from Nov. 1 to Dec. 20.

NOTE: Full Payment of tuition and fees is REQUIRED at time of registration.

Students who have previously attended Tunxis Community College within the past two years, and who know their Student ID# have the option of registering via the Web. Students who have not previously attended the College may register at the Records Office after they have completed the admissions process.

You MUST meet course prerequisites. Refunds will not be granted based on unmet prerequisites. If you did not take a prerequisite at Tunxis, the WEB registration system will not accept your registration. If you receive a “pre-req. error” while web registering, you may contact the Academic Advising/Counseling Center at 860.255.3540.

Although registering by Web, advisors and counselors are available for academic planning and course selection. Contact Advisors in their Faculty Office, or contact the Academic Advising/Counseling Center at 860.255.3540.

IMPORTANT WINTER SESSION INFORMATION

Session runs December 30, 2013 to January 17, 2014.

For winter session **REGISTRATION, REFUND POLICY** and **FINANCIAL AID INFORMATION** please see pages 11-12.

The winter session at Tunxis Community College is an excellent opportunity for you to take an extra class. This could help you reduce your course load in the spring and/or get further ahead in your studies.

It's important for you to recognize these are accelerated courses with significant differences to 15-week fall or spring courses. Winter session courses are completed in three weeks, which means the pace is about five times faster than normal. Or to put it another way, every day of class in the winter session will equal a full week of course material in a fall or spring semester course. This condensed format means you will be challenged, and 100% attendance is required in order to be successful.

So what's the benefit? You'll finish a class in a fraction of the time necessary to complete a normal semester-length course.

Five suggestions for taking an accelerated 3-week winter session course:

1. Register for only ONE course
2. Review your study habits and make sure you allow sufficient time for homework and other assignments given by the instructor
3. Remember, each day of class equals approximately one week's worth of material – **classes meet daily**, Monday-Friday, so plan accordingly
4. Attend every class - miss a single day, risk falling way behind
5. Stay in close communication with your instructor

College Support Services will be limited during winter session. Contact the appropriate office for available hours and services.

FINANCIAL AID INFORMATION

Financial aid eligibility for the winter term will depend on individual circumstances. Interested students should complete the winter term application in the Financial Aid Office.

Veterans' and National Guard tuition waivers do not apply to winter session. For students who receive federal GI Bill benefits, Tunxis will report winter session enrollments to the VA unless the student informs us otherwise.

Please note: tuition and fees payments should be made to Business Office, using cash, checks made payable to TCC, and/or Visa, MasterCard, Discover. The College does NOT accept American Express.

ONLINE COURSE INFORMATION – WINTER 2013/SPRING 2014

Tunxis Online Education connects you to instructors who post lessons, assignments, and answers to your questions, as well as to other students, so you can interact via the Internet.

NOTE:
Information on this page applies to Winter and Spring online classes.

● You can join the growing number of successful online students if you:

- Possess good, basic computer skills;
- Participate in the discussions and complete the work on time;
- Realize that you are taking a college-level course and will need to be self-reliant and self-motivated to keep on track;
- Have the ability to read assignments carefully and follow written instructions;
- Contact your instructor if you find yourself falling behind.

● What do I need* ?

- A computer with Internet access
- The ability to access your college issued email account (the ability to send and receive emails and attachments)
- A Java and Javascript-enabled Blackboard supported Web browser
- Java: Java Runtime Environment
- A word processing program:
 - MS Word (preferred)
 - WordPerfect
 - MS Works

● How do I register for online courses?

Please refer to page 16 for details.

NEW TO THE CCC ONLINE SYSTEM?

If you have never logged into the Connecticut Community College System, **myCommNet**, please refer to page 14.

HOW TO ACCESS YOUR ONLINE CLASS(ES)

Go to the Tunxis home page at **tunxis.edu**, click on “Courses & Programs” link and choose “Tunxis Online” and you will see information, instructions and links about accessing your online classes.

HOW TO OBTAIN BOOKS FOR YOUR ONLINE COURSES

Call the Tunxis Bookstore Infoline **860.255.3450** for details on the purchase of books for online courses.

* For updated information go to: <http://tunxis.edu/distance-learning/user-requirements/>

Connecticut State Colleges & Universities (ConnSCU) student support website: <http://websupport.ct.edu>

WHAT IS MyCommNet?

MyCommNet is a web portal that provides information for students, faculty and staff of the Connecticut Community Colleges and provides access to a broad array of personal, academic, and work-related services with a single sign-on. **You will use your Network ID (NetID) and password to sign on.**

Network ID (NetID) for STUDENTS:

Your NetID is composed of the following: Your BannerID (without the “@”) followed by @STUDENT.COMMNET.EDU

Example: A student with a BannerID of @87654321, will have the following NetID:
87654321@STUDENT.COMMNET.EDU

Network ID (NetID) for STAFF:

Your NetID is composed of: Your BannerID (without the “@”) followed by @TXCC.COMMNET.EDU

What is Your Network ID PASSWORD?

Your **initial*** password (if you have not logged on to a college computer) will be based on a combination of birth date and social security number as listed below.

1. **First three characters of birth month** (with first letter capitalized)
2. Ampersand character - **&**
3. **Last 4 digits of Social Security Number**

Example: The initial password for a user with a birth date of 10/24/79 and social security number of 123-45-6789, would be: Oct&6789

*Otherwise, your **PASSWORD** is your on-campus computer log in.

Students and faculty who have forgotten their password may use the web reset utility at: **<http://bor.ct.edu/netid/password.aspx>**. You will need to provide the last 4 digits of your Social Security Number, date of birth, and answer to your security question. Staff (other than faculty) must contact the IT Department/Administrative Information Systems.

Additional NetID information is available at <http://bor.ct.edu/netid/netid-faq.asp>.

How to Apply as a **NEW** or **TRANSFER** Student at Tunxis:

1 Submit an Application With the \$20.00 Application Fee:

Please visit our website at tunxis.edu/apply for a printable version of our application and information about applying online. Or you may obtain a copy of our application at the Admissions Office. All applicants must provide proof of high school completion; a copy of your diploma, GED or transcript is acceptable. A college or university degree from a U.S. institution may be used in lieu of a high school diploma.

2 Meet State Immunization Requirements:

State law requires that all full-time and degree/program-enrolled students submit proof of measles, mumps, rubella and varicella (chicken pox) immunity. Students enrolled on a part-time, non-degree basis are exempt from this requirement. You may access a copy of the Immunization Policy and form at tunxis.edu/apply or visit the Admissions Office for more info. Immunization form must be submitted **prior to registering for classes**.

The Tunxis Application for Admission and Immunization Forms are printed in the back of this publication.

3 Take the College Academic Placement Assessment — Accu-placer:

All new students must take the college's academic placement assessment, Accu-placer. Please see page 5 for details. Students with previous and appropriate college or university credit in math and English may be exempt. Students may also be exempt from testing based on their SAT or ACT scores. For more info. go to tunxis.edu/asc. Your college application should be submitted at least one week prior to testing.

4 Register for Courses:

Once your admission file is complete, you will receive information from the Admissions Office regarding dates and times when you may register and select your courses. As part of the registration process you will meet with an academic advisor. **Please note: due to course prerequisites and advising requirements at Tunxis, new students may not register online.**

How to Apply as a **READMIT** Student at Tunxis Community College:

If you are readmitting to the College please complete an application, and forward it to the Admissions Office prior to meeting with an advisor. Proof of high school graduation and new state immunization requirements must be met if you wish to enroll in a degree or certificate program. After you submit your readmit application, please see your faculty advisor or contact the Academic Advising/Counseling Office at 860.255.3540 to schedule an advising appointment.

Please submit an updated application if you previously attended Tunxis and are...

- **registering for Winter 2013 and didn't attend Tunxis since Winter 2012**
- **registering for Spring 2014 and didn't attend Tunxis since Spring 2012.**

Readmitting students do not have to pay the application fee again.

WELCOME BACK!

? ? Have QUESTIONS ?

Please contact the **Admissions Office at 860.255.3555** if you have questions or would like to speak with a member of our staff regarding the admissions process.

REGISTRATION PROCEDURES – SPRING 2014

CURRENT OR RETURNING STUDENTS

All current or returning Tunxis students are encouraged to make an appointment with their academic advisor as early as possible to identify the courses they need to meet their academic goals. **You may also log onto my.comnet.edu and process a degree evaluation compliance.** Appointment sign-up sheets are posted on each faculty advisor's door in the prior semester. Students who wish to speak with an Academic Advising Center advisor/counselor may schedule an appointment by calling 860.255.3540. It is strongly recommended that you register early for the widest selection of available classes.

IN PERSON REGISTRATION (Refer to the page 19 for a complete listing of registration dates and times.)

1. Ensure that you have met all the necessary prerequisites for the courses you want to take. If not, you must make an appointment with a faculty/academic advisor prior to registering.
2. Complete the registration form. Your signature is required.
An advisor's signature is ONLY required if you need approval to register for a course.
3. Make sure all transfer and prerequisite courses are on-file or provide an unofficial copy.
4. If you are not eligible to register for any of your courses, make an appointment to meet with your advisor.
5. Take the completed registration form to the Records Office for processing.
6. Proceed to the Business Office in Founders Hall for payment (required at time of registration).

WEB REGISTRATION is available 24 hours/7 days per week from 11/1/2013-1/17/2014 – see details below.

FORMER STUDENTS who are returning to the College after being away for at least two years must submit an updated readmit application. Refer to instructions for "How to Apply as a Readmit Student" on page 15.

WEB Registration 24 hours/7 days a week from: 11/1/13 - 1/17/14.

NOTE: Full Payment of tuition and fees is REQUIRED at time of registration.

Students who have previously attended Tunxis Community College within the past two years, and who know their Student ID# have the option of registering via the Web. Students who have not previously attended the College may register at the Records Office after they have completed the admissions process.

You MUST meet course prerequisites. Refunds will not be granted based on unmet prerequisites. If you did not take a prerequisite at Tunxis, the WEB registration system will not accept your registration. If you receive a "pre-req. error" while web registering, you may contact the Academic Advising/Counseling Center at 860.255.3540.

Although registering by Web, advisors and counselors are available for academic planning and course selection. Contact Advisors in their Faculty Office, or contact the Academic Advising/Counseling Center at 860.255.3540.

FINANCIAL AID: USEFUL INFORMATION (860.255.3510)

The financial aid application process can take 8-12 weeks to complete – please apply early! Tunxis urges all students to apply for financial aid on the internet. Applying online will result in faster and more accurate processing. The step-by-step information below is designed to help you through the application process.

You DO NOT need to own a computer to apply for financial aid online. Access to the internet is available at many public libraries (including the Tunxis library), high schools, adult education centers and community centers.

IMPORTANT: The Tunxis Financial Aid Office cannot process your financial aid application until you are accepted into a degree or eligible certificate program. For more program information call the Tunxis Admissions Office 860.255.3555.

1. EMAIL: The Department of Education will use your email to communicate with you. Tunxis will use your Tunxis email account. If you don't already have a personal email account, you can get one for free at yahoo.com, hotmail.com, or mail.com.

2. PIN: Your PIN (Personal Identification Number) is your online signature for your FAFSA. If you are a dependent student, in addition to your own PIN, a parent will also need a PIN. All students (and parents of dependent students) must sign the FAFSA with their own PIN. To apply for a PIN, go to www.pin.ed.gov. Questions? Contact the student aid helpline at 800.433.3243.

3. APPLY: after receiving your PIN, go to www.fafsa.ed.gov and complete the Free Application for Federal Student Aid (FAFSA). The FAFSA must be complete once a year for each new academic year. FAFSA's for the following fall are available after January 1. Complete the online application, and if you've filed a federal tax return, use the IRS data link to fill in the questions regarding your return. **The federal school code for Tunxis is 009764.** When you enter the code, you will be asked about housing: if you live at home, select 'with parent' even if you pay rent. If you do not live with your parents, select 'off campus.' (We do not have on-Campus housing.)

4. SAR: You will receive notification from the Department of Education when they have completed the processing of

your FAFSA. Use the link to view your SAR (Student Aid Report) to check for errors, omissions, and your verification status. Correct or complete any items.

5. TRACK: You will also receive notifications from Tunxis confirming receipt of your FAFSA. The email will refer you to your student account on my.CommNet.edu. You will also receive additional notifications, reminders and final status through your Tunxis email.

6. LEARN: To learn more about student aid, visit the college website regarding Tunxis-specific financial aid policies, procedures and student responsibilities; select 'student services', then 'financial aid.'

7. WITHDRAWALS/DROPS: ALWAYS check with the financial aid office before you withdraw or drop **any** class.

Financial Aid for Military Veterans:

Veterans, National Guard members, and Reservists may be eligible for GI Bill benefits, and may also be eligible for the Connecticut tuition waiver. Please contact David Welsh for assistance (860.255.3513).

The courses in this schedule are grouped by subjects that are listed alphabetically. Within each subject group, the courses are listed in numerical order from lowest to highest.

Courses designated with codes from 001-099 do not satisfy discipline requirements or count as an elective in any degree program; neither do its credits count toward requirements for graduation. Courses numbered 100-199 are considered first-year courses. Courses numbered 200 or higher are considered second-year courses.

ELECTIVES: Within an academic program, courses are either required or elective. Elective courses fall into broad subject areas of study in the liberal arts and sciences. These broad subject areas are the humanities, the natural sciences and the social sciences.

GENERAL ED REQUIREMENTS:

In addition, all degree programs have specific general education requirements. General education requirements assure that students have exposure to a range of courses in specific areas of the curriculum. The general education requirements are grouped into six modes. The general education modes and courses can be found in the College catalog.

NOTES...

- (a) Indicates that prerequisite or co-requisite to courses as listed in the course description must be met prior to registering.
- (b) Student must attend laboratory, clinic, clinic seminar or computer component associated with this course. This component may/may not require additional time outside scheduled class.
- (d) Developmental courses do not satisfy English Mathematics credit requirements and cannot be counted as college credit for graduation or for transfer to another institution. Student will not be allowed to take credit level English/Mathematics while enrolled in these courses.
- (e) Course may not satisfy degree or certificate program requirement. See course description.

ACC*292 Accounting Practicum (a) 3 credits

Provides students the opportunity to apply and integrate knowledge and skills gained in the Business Administration program through an individualized capstone experience, which includes an internship or project component and a classroom component. Internship involves employment or volunteer engagement in a company, public agency, or non-profit organization. Alternatively, students may complete the internship component of the Practicum through directed independent project(s) involving advanced analysis, research, and writing. Both the internship experience and the directed projects are designed to assess the students' mastery of the program learning objectives, and to further develop their professional skills. Students planning to enroll in the Business Practicum should meet with the Program Coordinator or Practicum Instructor to learn of existing Internship opportunities, or to define the elements of a meaningful internship experience either at their current employer or a new internship position. Students are responsible for attaining their own internship. With permission of the Program Coordinator or Practicum instructor, the internship work hours may occur prior to the students registering for the Practicum. The classroom component involves several seminars or workshops, meeting in the classroom and/or online during the semester to discuss the students' internship experience, as well as their academic, professional, and career development. In addition, student mastery of general education abilities and program learning outcomes will be assessed. The assessment of these outcomes may include completing a directed project and/or developing an ePortfolio. *Prerequisites: Permission of the Program Coordinator. Prior to taking the Business Practicum, students must have completed twelve business core or program option credits with a grade of C- or better, AND have completed at least 40 credits towards their associates degree or 15 credits towards their BA Certificate. In the courses offered by Tunxis Community College students may be required to use the computer and the internet to access course materials, complete assignments, and take tests. Written assignments should be word processed. Computers are available for student use in the library and the open computer lab. The college offers credit courses in keyboarding and word processing as well as workshops and assistance in the use of computer technology.

Some assignments may involve field trips or work in groups that may require time commitment outside of regular scheduled class hours. Assignments may also require oral or visual presentations. The specific requirements of the course will be stated in the course outline.

Students should expect to spend considerable time outside of class completing assignments and studying. Depending on the course and other factors, for every hour in class, students should plan on spending two, three, or more hours outside of class on homework and studying. (For example, for a 3 credit course, you should expect to spend 9 hours of study time in addition to the 3 hours of class time per week.)

UConn GUARANTEED ADMISSIONS PROGRAM

The Guaranteed Admission Program (GAP) is an agreement between the Connecticut Community College System and the University of Connecticut, designed for students who enroll in a Liberal Arts program at one of Connecticut's community colleges. Students who plan to continue their studies to earn a bachelor's degree in Liberal Arts and Sciences, Agriculture and Natural Resources or Business are guaranteed admission to the University of Connecticut once the associate degree has been earned, appropriate courses have been completed, and minimum grades and requirements for the selected program have been achieved. Advisors from individual community colleges and UConn meet with Guaranteed Admission Program students throughout their community college careers, helping their eventual transition to the University.

Students wishing to enroll in the Guaranteed Admission Program must be matriculated in the Liberal Arts transfer program at one of the Connecticut community colleges. To participate in this program, students must apply to the GA Program before they have accrued 30 transferable credits. All interested Tunxis students should contact the Academic Advising Center for further information and assistance in selecting courses that will meet both community college and UConn degree requirements.

BBG*292 Business Practicum (a) **3 credits**

Provides students the opportunity to apply and integrate knowledge and skills gained in the Business Administration program through an individualized capstone experience, which includes an internship or project component and a classroom component. Internship involves employment or volunteer engagement in a company, public agency, or non-profit organization. Alternatively, students may complete the internship component of the Practicum through directed independent project(s) involving advanced analysis, research, and writing. Both the internship experience and the directed projects are designed to assess the students' mastery of the program learning objectives, and to further develop their professional skills. Students planning to enroll in the Business Practicum should meet with the Program Coordinator or Practicum Instructor to learn of existing Internship opportunities, or to define the elements of a meaningful internship experience either at their current employer or a new internship position. Students are responsible for attaining their own internship. With permission of the Program Coordinator or Practicum instructor, the internship work hours may occur prior to the students registering for the Practicum. The classroom component involves several seminars or workshops, meeting in the classroom and/or online during the semester to discuss the students' internship experience, as well as their academic, professional, and career development. In addition, student mastery of general education abilities and program learning outcomes will be assessed. The assessment of these outcomes may include completing a directed project and/or developing an ePortfolio. *Prerequisites: Permission of the Program Coordinator or Business Practicum Instructor. WE'RE HERE TO HELP YOU...

Like everyone, college students may face difficult life transitions and circumstances, experience painful emotions, and need assistance in developing clear and meaningful goals while pursuing their academic course work. College counselors are professionally trained to help students cope with a wide variety of educational, adjustment, and mental health issues during their career years.

Some methods counselors employ to facilitate discussions include listening, informing, empathizing, collaborating, brainstorming solutions, constructing goals, building on strengths and modeling appropriate behaviors.

Counselors are glad to talk with you about any issue causing you concern or distress. Some common concerns include: anxiety, sadness, loneliness, eating disorders, dating & domestic partner violence, alcohol & drug concerns, academic problems, sexual abuse, relationship issues, time management, choosing a major, communication skills and career & academic goals.

Depending on the nature of the concern, counseling may be one appointment or several. In some cases, a referral to a community specialist may be encouraged.

BMK*292 Practicum in Marketing (a) 3 credits

Provides students the opportunity to apply and integrate knowledge and skills gained in the Business Administration program through an individualized capstone experience, which includes an internship or project component and a classroom component. Internship involves employment or volunteer engagement in a company, public agency, or non-profit organization. Alternatively, students may complete the internship component of the Practicum through directed independent project(s) involving advanced analysis, research, and writing. Both the internship experience and the directed projects are designed to assess the students' mastery of the program learning objectives, and to further develop their professional skills. Students planning to enroll in the Business Practicum should meet with the Program Coordinator or Practicum Instructor to learn of existing Internship opportunities, or to define the elements of a meaningful internship experience either at their current employer or a new internship position. Students are responsible for attaining their own internship. With permission of the Program Coordinator or Practicum instructor, the internship work hours may occur prior to the students registering for the Practicum. The classroom component involves several seminars or workshops, meeting in the classroom and/or online during the semester to discuss the students' internship experience, as well as their academic, professional, and career development. In addition, student mastery of general education abilities and program learning outcomes will be assessed. The assessment of these outcomes may include completing a directed project and/or developing an ePortfolio. *Prerequisites: Permission of the Program Coordinator or Business*

SUCCESS IS ON THE WAY!

The Academic Support Center fosters student success by providing support services designed to help students develop their learning and academic skills, as well as enhance their understanding of college demands. The following services are available on an individual and/or group basis:

Basic Skills/Placement Testing

Also called the Accu-placer, this test is designed to assess student skills in math, English, reading, and writing proficiency

Free Tutoring

A comprehensive, nationally-certified, program for all students enrolled in credit classes. Tutoring is available every semester in developmental reading/writing, math, and English as a Second Language. Efforts are also made to accommodate student requests in other areas.

Special-needs Services

These services are provided upon request by students with documented disabilities (see Academic Support Center staff for details).

Workshops on Learning Strategies

Offered to assist students in refining basic skills needed to meet college expectations.

Note: Reservations or appointments are required for most programs and services.

TUNXIS COMMUNITY COLLEGE

VALUES & PRINCIPLES

INTEGRITY

We value and demonstrate openness and honesty, resolving differences with civility and without reprisals. We speak and act truthfully, without hidden agendas. We admit our mistakes, say when we do not know, and honor our commitments. We avoid silence when it may mislead; we seek root causes and solve problems.

RESPONSIBILITY

We value institutional and individual accountability, defined as doing what needs to be done in a timely and competent manner. By acceptance of personal responsibility for our own actions and decisions, we help to create a college at which we are proud to work.

RESPECT

We treat others fairly and with dignity. We value and honor each other in our diversity.

EXCELLENCE

We value continuous improvement and growth in every area of college life. We value collaboration, cooperation, teamwork, innovation, and creative problem solving in our continuous improvement efforts. We value the courage to take risks and provide leadership.

OPEN COMMUNICATION

We share information, ideas, and feelings—listening carefully, speaking forthrightly, respecting diverse views, participating productively in dialogue and conversations. We welcome paradox and constructive conflict as we move toward consensus.

HUMOR AND WELL-BEING

We value laughter, play, love, kindness, celebration, and joy in our learning and work—taking our learning and work seriously and ourselves lightly.

TUNXIS TECHNOLOGY

The vast majority of computer technology at Tunxis is supported by the Information Technology department and includes:

OPEN COMPUTER LAB

For all currently-enrolled students with both PC and MAC computers accessible. The full range of applications taught at the College is available along with special multi-media workstations. Color printing is possible in limited quantity. Lab Assistants are on duty at all times to assist students experiencing difficulty using the equipment.

PC-BASED CLASSROOMS

Multiple Tunxis classrooms are equipped with computer workstations for enrolled student with all appropriate software provided for course work.

MAC-BASED CLASSROOMS

Two classrooms with Apple computer workstations and laser printers are continuously updated and maintained to support students enrolled in various Graphic Design and Fine Arts courses.

Nearly every general-purpose classroom on campus is equipped with an instructor's computer workstation and multimedia presentation equipment.

NOTE: A multimedia Language Lab and an ePortfolio Lab are supported by the Media and Instructional Technology Department.

• COMPUTER CENTER HOURS •

Monday through Thursday: 8:00am-9:30pm
 Friday: 8:00am-4:30pm
 Saturday: CLOSED

Hours vary during semester breaks and subject to change. See posted schedule in Computer Center.

The courses in this schedule are grouped by subjects that are listed alphabetically. Within each subject group, the courses are listed in numerical order from lowest to highest.

Courses designated with codes from 001-099 do not satisfy discipline requirements or count as an elective in any degree program; neither do its credits count toward requirements for graduation. Courses numbered 100-199 are considered first-year courses. Courses numbered 200 or higher are considered second-year courses.

ELECTIVES: Within an academic program, courses are either required or elective. Elective courses fall into broad subject areas of study in the liberal arts and sciences. These broad subject areas are the humanities, the natural sciences and the social sciences.

GENERAL ED REQUIREMENTS:

In addition, all degree programs have specific general education requirements. General education requirements assure that students have exposure to a range of courses in specific areas of the curriculum. The general education requirements are grouped into six modes. The general education modes and courses can be found in the College catalog.

NOTES...

- Indicates that prerequisite or co-requisite to courses as listed in the course description must be met prior to registering.
- Student must attend laboratory, clinic, clinic seminar or computer component associated with this course. This component may/may not require additional time outside scheduled class.
- Developmental courses do not satisfy English Mathematics credit requirements and cannot be counted as college credit for graduation or for transfer to another institution. Student will not be allowed to take credit level English/Mathematics while enrolled in these courses.
- Course may not satisfy degree or certificate program requirement. See course description.
- Additional Fee for Lab course.
- Additional Fee for Studio course.

CAREERS IN CRIMINAL JUSTICE

One of the interesting things about criminal justice careers is that most people only think of jobs relating to law enforcement, but in truth, there is much more to this particular sector.

In fact, some criminal justice careers might be surprising since they seem a little disconnected but all of the different opportunities listed below fall under the same umbrella and play a key role in the overall criminal justice system.

DENTAL HYGIENE PROGRAM

The Tunxis Community College Dental Hygiene program provides the skills and knowledge necessary to function effectively as an integral member of the dental health team. The program has a 30 year affiliation with University of Connecticut School of Dental Medicine. The program utilizes the facilities of the University of Connecticut School of Dental Medicine, federal, state and local hospitals, and community health clinics. Graduates of the program are eligible to take the examinations for licensure given by National and North East Regional Boards. Graduates who pass both boards are eligible for a Connecticut license. The program is the only state supported dental hygiene program in Connecticut.

ADMISSIONS OVERVIEW

The applicant must submit ALL of the following by the December 1 deadline:

- All college transcripts
- Two letters of recommendation
- A personal statement: Please provide a comprehensive biographical sketch of no more than 250 words that includes information to assist the Admissions Committee in "getting to know you better."

In addition to the admission requirements, prior to the start of the first semester of the program:

- Applicant must complete Anatomy & Physiology II with a grade of C or better.
- Applicant must complete either Microbiology or Nutrition for the Health Care Provider with a grade of C or better.

DENTAL HYGIENE PROGRAM GOALS

The development of competent and self-confident oral health practitioners who:

- as self-directed thinkers and decision makers adapt to change and challenge,
- value education as an ongoing process and not the end product,
- exhibit the integrity and ethics that are necessary to insure the delivery of quality dental care to a diverse population,
- commit and actively contribute to the betterment of the dental professions,
- improve public understanding and appreciation of oral health and its integral importance to individual and community health,
- reflect the current state of the art of allied dental practice.

EARLY CHILDHOOD EDUCATION DEGREE PROGRAM

Provides students with the skills and competencies necessary to work effectively with young children, birth through age eight, in the field of professional childcare and education.

The program will prepare qualified students for positions as teachers and assistant teachers in a variety of child-care settings. Instruction is designed to be practical for prospective teachers as well as individuals already in the field.

In addition, the program will prepare students for academic work at the baccalaureate level.

Jobs in the child care services industry are expected to grow. Opportunities for self employment in this industry are among the best in the economy, with approximately 40% of workers currently self-employed.

EARLY CHILDHOOD EDUCATION ADMINISTRATION CERTIFICATE

Administrators and directors of child-care facilities have many responsibilities including business operations, staff training, and the planning of an appropriate learning environment for young children. To accomplish these tasks successfully, the individual must have skills in business management and leadership, and be knowledgeable in child development and developmentally appropriate practices. This certificate program is designed to provide a well-balanced quality education to both current and prospective administrators and directors, to enable them to work effectively with their staffs as well as with the diverse population of children and families they serve, and to manage the day-to-day operations of a business.

CT STEM JOBS: Connecticut's Science, Technology, Engineering and Math Career Center

Many Connecticut adults and young people are struggling to find good jobs because they do not have the science, technology, engineering, and mathematics (STEM) skills employers are looking for. At the same time, Connecticut's high-tech employers need a skilled workforce ready to meet the demands of the 21st century global economy.

CT STEM Jobs is a project of the Connecticut Workforce Development Council (the association formed by the state's five Workforce Investment Boards) and is funded by the US Department of Labor. CT STEM Jobs is focused on preparing prospective employees for new careers in STEM-related fields such as advanced manufacturing, engineering, information technology, and energy.

Students are encouraged to explore occupational objectives and opportunities. Trained counselors assist in these career-planning efforts by offering a wide variety of resources including assessments to evaluate skills, values and personality, online employment databases and résumé handbooks, and job search and interviewing strategies. Students are provided with opportunities to explore career options and to assess their interests. This supportive process helps them to clarify their educational and career goals.

Career services are offered through the Tunxis Advising Center by appointment. Appointments can be made by contacting the center during our normal business hours: Monday-Friday from 8:30 to 4:30.

ENGLISH AS A SECOND LANGUAGE

ESL*001 ESL: Integrated Skills I 3 credits

This is the first course in the ESL curriculum. This course integrates the study of grammar, reading, writing, and speaking. The primary focus is the study of level-appropriate grammar topics including the following: present tense and present progressive verbs, verb forms for “to be,” common irregular verbs, yes/no and information questions, and common contractions. Students practice these structures in writing and speaking contexts. The secondary focus is on reading and listening to level-appropriate texts. Additionally, students learn functional vocabulary related to family, daily life and school. This course prepares students for ESL: Writing and Reading II (ESL*123) and ESL: Grammar II (ESL*125). *Note: Student must have limited proficiency in three of the four skill areas of English – speaking, reading, writing and listening. (Elective Type: G)*

ESL*157 ESL: Oral Communication V (a) 3 credits

This is the advanced course in oral skills in the ESL curriculum. The primary focus is to build proficiency in the listening and speaking skills that English as Second Language students need to be successful in an academic setting. The course will focus on two types of skills: those needed to listen to, comprehend, and take notes in academic lectures and those needed to participate in the full range of classroom activities including asking questions, interrupting, using and interpreting common modes of agreement and disagreement, and communication skills associated with group work. *Prerequisites: C- or better in ESL: Reading & Writing III (ESL*133) and/or ESL: Grammar III (ESL*135), or placement into ESL Level IV (ESL*143 and ESL*145) or higher, or permission of Humanities Department Chair. (Elective Type: FL/G/HU/LA) (Ability Assessed: 9)*

------	-----	------------	-------

The courses in this schedule are grouped by subjects that are listed alphabetically. Within each subject group, the courses are listed in numerical order from lowest to highest.

Courses designated with codes from 001-099 do not satisfy discipline requirements or count as an elective in any degree program; neither do its credits count toward requirements for graduation. Courses numbered 100-199 are considered first-year courses. Courses numbered 200 or higher are considered second-year courses.

ELECTIVES: Within an academic program, courses are either required or elective. Elective courses fall into broad subject areas of study in the liberal arts and sciences. These broad subject areas are the humanities, the natural sciences and the social sciences.

GENERAL ED REQUIREMENTS:

In addition, all degree programs have specific general education requirements. General education requirements assure that students have exposure to a range of courses in specific areas of the curriculum. The general education requirements are grouped into six modes. The general education modes and courses can be found in the College catalog.

NOTES...

- Indicates that prerequisite or co-requisite to courses as listed in the course description must be met prior to registering.
- Student must attend laboratory, clinic, clinic seminar or computer component associated with this course. This component may/may not require additional time outside scheduled class.
- Developmental courses do not satisfy English Mathematics credit requirements and cannot be counted as college credit for graduation or for transfer to another institution. Student will not be allowed to take credit level English/Mathematics while enrolled in these courses.
- Course may not satisfy degree or certificate program requirement. See course description.
- Additional Fee for Lab course.
- Additional Fee for Studio course.

CREDIT COURSES – SPRING 2014

CRN	DAY(S)	TIME	INSTRUCTOR
ESL*162 ESL: Reading & Writing VI (a) 6 credits			
In this advanced writing and reading course, students continue to develop fluency, clarity, organizational skills and the mechanics of effective writing with a focus on the linguistic and rhetorical needs of second language learners. Course content and writing assignments are based on reading selections, evaluation of primary and secondary sources and student texts. Students read a range of moderately complex texts. Students write, revise and edit drafts, participate in group work and confer with teachers and peers. Portfolio assessment will be required, including at least one timed, in-class writing assignment. This six credit-course counts toward the foreign language requirement in either the Liberal Arts or General Studies degree. Completion of this course with a C- or better ensures admission into Composition (ENG*101). <i>Prerequisites:</i> C- or better in ESL: Writing & Reading V (ESL*153), placement test, or permission of Humanities Chair. Grammar V (ESL*152) recommended. (Elective Type: FL/G/H/U/LA)

FRENCH

FRE*102 Elementary French II (a) 3 credits			
Builds and expands skills from Elementary French I with further study of French grammar and of the diverse cultures of French-speaking peoples. Students begin to negotiate simple transactions and dilemmas in French using more complex phrases and common expressions. Activities from daily life are the contexts for learning. <i>Prerequisite:</i> C- or better in Elementary French I (FRE*101) or permission of the Department Chair. GRAPHIC DESIGN (\$\$ = additional studio fee applies)

GRA*101 Design Principles (\$\$) 3 credits			
Introduction to the basic elements of design (line, shape, value, texture, space) and their organization on a two-dimensional surface through the principles of design (balance, unity, emphasis, repetition, rhythm, etc.) into effective design statements. Assignments progress from manipulation of geometric shapes to creation and composition of representational images in the discovery of how design principles apply to the fields of art and design. Primary media are markers and cut paper. (Elective Type: FA/G) (Abilities Assessed: 1, 1, 2, 3, 6)

DID YOU KNOW ?

As a publicly supported learning center, Tunxis provides an array of educational services designed to meet the training, occupational, intellectual, and cultural needs of the people of its region. The College seeks to serve all those who wish to develop their knowledge and skills; it does so by making its services easily accessible and supports these services through the quality of its faculty and staff. Tunxis bases its operations on the belief that learning is best accomplished through the evaluation of current skills and knowledge, the identification of educational objectives, the determination of a proper balance between study and other responsibilities, and involvement in the educational process that meets one's objectives.

Education That Works For a Lifetime

THE COLLEGE MAKES EVERY EFFORT TO MAINTAIN THE SCHEDULE OF COURSES AS LISTED IN THIS PUBLICATION. HOWEVER, COURSE OFFERINGS ARE SUBJECT TO CHANGE.

GO TO MY.COMMNET.EDU FOR A COMPLETE, UP-TO-THE MINUTE LISTING OF COURSES.

ROOM ASSIGNMENTS WILL BE POSTED ON CAMPUS THE FIRST DAY OF CLASSES: FRIDAY, JANUARY 24 or MAY BE ACCESSED AT TUNXIS.EDU/COURSES.

CREDIT COURSES – SPRING 2014

CRN	DAY(S)	TIME	INSTRUCTOR
GRA*110 Intro. to Computer Graphics (\$\$) 3 credits			
An introduction to the computer as a graphic design and artist's tool. Using Macintosh OS, students learn basic use and application of vector illustration (Adobe Illustrator), raster image (Adobe Photoshop), and scanning software programs to the art and design process. Emphasis is on "hands on" use of the computer, and how the computer can aid the artist's and designer's problem solving process through interactive visual alternatives. (Elective Type: FA/G) (Abilities Assessed: 1.1, 2, 4, 6).			
1333	M/W	1:00-2:47P	Staff
1334	T/R	3:00-4:47P	Staff
GRA*200 Visual Communications (a)(\$\$) 3 credits			
Typography and problem-solving in the field of graphic communications. Focus will be on the use of typography and image in preparing solutions to graphic design problems. Design process, methods, materials, and conceptual idea development are introduced and applied to the creation of visual communications using both traditional and computer graphics mediums (Adobe Illustrator & Photoshop). Projects range from experimental type arrangements, compositions, and symbol designs to the pragmatic application of typography and image in design and layout. Prerequisite: C- or better in Design Principles (GRA*101). Co-requisite: Introduction to Computer Graphics (GRA*110). (Elective Type: FA/G) (Abilities Assessed: 1.2, 2, 4, 6).			
1335	M/W	7:00-8:47P	Staff
1336	T/R	9:00-10:47A	Staff
GRA*203 Design and Production (a)(\$\$) 3 credits			
Students will apply previously learned design, typography, and page layout skills (InDesign) in the creation of design layouts and mechanical art for print production. A mixture of technical and creative projects will be presented with emphasis on design and production for the printed piece. The importance of precision in final mechanical art preparation will be stressed as will technical facility in the use of electronic production tools and techniques. Prerequisite: C- or better in Typography and Design I (GRA*201). (Elective Type: FA/G) (Abilities Assessed: 1.2, 2, 4, 6)			
1337	T/R	5:00-6:47P	Klema
GRA*205 Typography and Design II (a)(\$\$) 3 credits			
Focuses on the further exploration of typographic studies. Students will apply previously learned design and typography theory to conceptualize solutions to more complex visual communication problems through the use of professional level graphic design page layout software (InDesign). This intense focus in graphic design will further a student's production skills and knowledge, extend the student's capacity for conceptual thinking and visual problem solving, and allow for the further exploration of the creative and practical aspects of typography and the special relationship between type and image. Prerequisite: C- or better in Typography and Design I (GRA*203). (Elective Type: FA/G) (Abilities Assessed: 1.2, 2, 4, 6)			
1339	M/W	9:00-10:47A	Klema
2264	T/R	7:00-8:47P	Staff
GRA*227 Interactive Media (a)(\$\$) 3 credits			
Students will apply previously learned design software and typography skills to design for interactive media using Adobe Flash. Students will take interactive media design from concept, through storyboard, to design and production, and learn how to structure and present information for clarity and impact by combining type, image, color, motion, sound, animation and interactivity. Prerequisites: C- or better			

GRAPHIC DESIGN PROGRAM

The Graphic Design Program offers education and training in graphic design communications using processes and technologies relevant to the professional design environment. Students develop skills in visual literacy, problem solving, image creation, graphic arts production, typography, layout, publication design, professional presentation and computer graphics.

The **Interactive Media Option** adds animation, interactive design, motion graphics, and web design to a student's design experience.

In addition to specific career education, the Tunxis Graphic Design Program includes a strong traditional core of drawing, two- and three-dimensional design principles, and liberal arts education.

The Graphic Design Program offers an Associate's in Science Degree in Graphic Design, with an Interactive Media Option, and a Certificate in Graphic Design.

The Associate's Degree is a two-year, 60-62 credit program offering a range of courses in graphic design, interactive media, animation, web design, visual fine art, and general education.

The Certificate in Graphic Design is a 30 credit program that focuses on a select group of graphic design and visual fine art courses, also completed in two years.

The Graphic Design Program provides:

The skills necessary to qualify for an entry-level position in the fields of Graphic Design and interactive media.

A curriculum for students who intend to seek an advanced degree through transfer to a BA or BFA degree-granting institution.

Opportunities for graphic arts professionals to upgrade their skills and advance their careers

HEALTH

HLT*103 Investigations in Health Careers (a) 3 credits

Designed to assist traditional and non-traditional first year college students to meet the expectations of a curriculum and a career in health-related fields. The student will become familiar with the rigors of higher education and the specific skills needed to maximize the student's opportunity for academic and clinical success. The course will include a comprehensive overview of the duties and responsibilities associated with clinical competency. Interdisciplinary learning strategies, correlating clinical and didactic education, life management skills, work ethics, and critical thinking skills necessary for all health providers will be emphasized. Prerequisite: C- or better in Integrated Reading & Writing II (ENG*075) or Introduction to College Reading & Writing (ENG*093) or Reading & Writing VI (ESL*162), or placement into Composition (ENG*101). HUMAN SERVICES PROGRAM

ASSOCIATE IN SCIENCE DEGREE OR CERTIFICATE: HUMAN SERVICES

Prepares students to work in the broad and diverse field of human services, a profession developing in response to and in anticipation of the direction of human needs and human problems in the 21st century. The goal of the program is to improve the quality of life for all of society. The associate's degree curriculum provides a general background for work with children, families, and adults. Most professions in human services require academic work beyond the associate's degree for continuing professional work and advancement. Individuals with an associate's degree may be employed as case management aides, human services workers, residential managers, gerontology aides, special-education teacher aides, mental-health technicians, and social-service technicians. The program prepares each student through exposure to the most current thinking in the field, hands-on experience, and community networking.

ASSOCIATE IN SCIENCE DEGREE OR CERTIFICATE: FAMILY VIOLENCE INTERVENTION OPTION

Provides the student with a broad knowledge base through core classes in Human Services, and with the knowledge and skills essential to working with perpetrators as well as victims of abuse. Domestic violence is a growing societal problem that may be addressed through competent counseling by trained professionals who understand the dynamics involved. This program also provides students with a liberal arts background and application-oriented instruction in a broad range of Human Services skills. The student who chooses the Family Violence Option will participate in a field experience, working within the domestic violence and family violence network.

DID YOU KNOW ?

The state and local community will see avoided social costs amounting to **\$18** per year for every credit earned by TCC students, including savings associated with improved health, lowered cost of law enforcement, and reduce welfare and unemployment. This translates to **\$1.2 million** in avoided costs to the State of Connecticut each year as long as students are in the work force.

Students benefit from higher earnings, thereby expanding the tax base and reducing the burden on state taxpayers. In the aggregate, TCC students generate about **\$15.8 million** annually in higher earnings due to their TCC education.

TUNXIS HELPS OUR ECONOMY

Tunxis Community College (TCC) plays a significant role in the local economy and is a sound investment from multiple perspectives. Students benefit from improved lifestyles and increased earnings. Taxpayers benefit from a larger economy and lower social services costs. Finally, the community as a whole benefits from increased job and investment opportunities, higher business revenues, greater availability of public funds, and an eased tax burden.

JUST THE FACTS

Tunxis students who commute to the area from outside the region bring with them monies that would not have otherwise entered the local economy. The expenditures of TCC's out-of-region students generate roughly **\$24,100** in added regional income in the TCC impact region.

TCC activities encourage new business, assist existing business, and create long-term economic growth. The college enhances worker skills and provides customized training to local business and industry. It is estimated that the TCC impact region work force embodies about **528,800** credit and non-credit hours of past and present TCC training.

TCC skills embodied in the regional work force where former students are employed increase local income by **\$201.4 million**. Associated indirect effects increase income by another **\$38.2 million**.

Altogether, the TCC impact region economy annually receives roughly **\$261.8 million** in income due to past and present efforts at TCC.

CSU DUAL ADMISSION PROGRAM

It has never been easier to start your higher education at one of Connecticut's 12 community colleges and finish at Central, Eastern, Southern or Western Connecticut State University. The Dual Admission program makes it easy to outline your path to success, and take advantage of exceptional program benefits.

To participate in this program, students must apply to the Dual Admission Program before they have accrued 15 transferable credits. Academic advisors from both institutions help ensure that your credits will be accepted easily when you move from Tunxis to earn your bachelor's degree at Central, Eastern, Southern, or Western.

STUDENT EXPECTATIONS

In the courses offered by Tunxis Community College students may be required to use the computer and the internet to access course materials, complete assignments, and take tests. Written assignments should be word processed. Computers are available for student use in the library and the open computer lab. The college offers credit courses in keyboarding and word processing as well as workshops and assistance in the use of computer technology.

Some assignments may involve field trips or work in groups that may require time commitment outside of regular scheduled class hours. Assignments may also require oral or visual presentations. The specific requirements of the course will be stated in the course outline.

Students should expect to spend considerable time outside of class completing assignments and studying. Depending on the course and other factors, for every hour in class, students should plan on spending two, three, or more hours outside of class on homework and studying. (For example, for a 3 credit course, you should expect to spend 9 hours of study time in addition to the 3 hours of class time per week.)

NOTES...

- Indicates that prerequisite or co-requisite to courses as listed in the course description must be met prior to registering.
- Student must attend laboratory, clinic, clinic seminar or computer component associated with this course. This component may/may not require additional time outside scheduled class.
- Developmental courses do not satisfy English Mathematics credit requirements and cannot be counted as college credit for graduation or for transfer to another institution. Student will not be allowed to take credit level English/Mathematics while enrolled in these courses.
- Course may not satisfy degree or certificate program requirement. See course description.
- Additional Fee for Lab course.
- Additional Fee for Studio course.

ALUMNI ASSOCIATION

The Alumni Association of TCC exists to support the College mission, encourage community alliances, promote education, and foster a spirit of unity and pride.

HISTORY

Tunxis Community College began operations in October 1970 and held its first graduation in June 1972. Ten years later a small group of volunteer graduates initiated an effort to establish an alumni association. The founders wrote bylaws to govern its operation, registered the organization with appropriate state agencies and began holding fund raising events. Proceeds from the events are used to support student scholarships, recognize outstanding faculty and staff, and to help fund other requirements of the College not generally supported by public funds. Alumni Association leadership collaborates with College administration and the Tunxis Foundation and Advisory Board to support important initiatives as they evolve.

MEMBERSHIP

All graduates of Tunxis Community College degree and certificate programs, and those students who have left the College in good standing, shall be eligible for membership. All active members are encouraged to attend regularly scheduled Board of Directors meetings and participate in association events or committees.

If you would like to support your Alumni Association by volunteering, please complete an application form.

Please visit

NMC*101 New Media Perspectives (a) 3 credits

What qualities do video games, comics, films, and computer simulations share? New Media Perspectives considers this question by examining the underlying structures and interrelated qualities of various media and communication technologies. Students will study selected text-based stories, films, video games, simulations, comics, visual art, and web design. Students will apply what they learn by developing hypertexts, digital stories, and games. The course will also address questions such as: what is new media? How does human experience shape the design of technology? What is interactivity? PHL*151 World Religions (a) 3 credits

Surveys the spiritual ideas and practices which have sustained human beings in their various environments. The formation and early development of each religious tradition will be examined in historical context. Religious traditions to be examined include the indigenous religions of Africa and the Americas and the major world "source" religions: Judaism, Christianity, Islam, Hinduism, Buddhism, Taoism and Confucianism. Religious Studies is a secular academic discipline that leaves room for a wide range of personal reflection. Key doctrinal, philosophical, ethical, social and psychological dimensions of the religions will be considered (from both content/practice-based and discipline-specific perspectives). A significant portion of learning in this course takes place through fieldwork. *Prerequisite: C- or better in Composition (ENG*101). (Elective Type: G/H/U/LA) (Abilities Assessed: 1.2, 2, 5.1, 5.2, 8.2)*

PTA*125 Physical Therapy for Function (a) 4 credits

Provides the student with introductory concepts and techniques for effective patient teaching and physical therapy intervention for function and mobility. Emphasis is placed on competence in problem-solving and the physical therapist assistant's role in modification of physical therapy interventions. *Prerequisite: Admission to the Physical Therapist Assistant Program.*

1502 F 8:30-11:30A Plunkett

The courses in this schedule are grouped by subjects that are listed alphabetically. Within each subject group, the courses are listed in numerical order from lowest to highest.

Courses designated with codes from 001-099 do not satisfy discipline requirements or count as an elective in any degree program; neither do its credits count toward requirements for graduation. Courses numbered 100-199 are considered first-year courses. Courses numbered 200 or higher are considered second-year courses.

ELECTIVES: Within an academic program, courses are either required or elective. Elective courses fall into broad subject areas of study in the liberal arts and sciences. These broad subject areas are the humanities, the natural sciences and the social sciences.

GENERAL ED REQUIREMENTS:

In addition, all degree programs have specific general education requirements. General education requirements assure that students have exposure to a range of courses in specific areas of the curriculum. The general education requirements are grouped into six modes. The general education modes and courses can be found in the College catalog.

NOTES...

- Indicates that prerequisite or co-requisite to courses as listed in the course description must be met prior to registering.
- Student must attend laboratory, clinic, clinic seminar or computer component associated with this course. This component may/may not require additional time outside scheduled class.
- Developmental courses do not satisfy English Mathematics credit requirements and cannot be counted as college credit for graduation or for transfer to another institution. Student will not be allowed to take credit level English/Mathematics while enrolled in these courses.
- Course may not satisfy degree or certificate program requirement. See course description.
- Additional Fee for Lab course.

Tunxis Community College was chartered by the State of Connecticut in 1969 to serve the Bristol-New Britain and Farmington Valley areas. It first opened for classes in October 1970 with 494 students; today approximately 7,000 full- and part-time students attend the College each semester enrolled in credit and continuing education classes. Yet Tunxis is still small enough to offer students individual attention. Since the first graduation in 1972, more than 8,000 persons have received an associate's degree or a certificate from the College.

OPTION 3 & 4: Medical or Religious exemptions on the reverse side

IMMUNIZATION WAIVERS

OPTION 3:

MEDICAL EXEMPTION

Students with medical exemptions shall be permitted to attend college except in the case of a vaccine-preventable disease outbreak in the college. All susceptible students will be excluded from college based on public health officials' determination that the college is a primary site for disease exposure, transmission and spread into the community. Students excluded from college for this reason will not be able to return to school until:

1. the danger of the outbreak has passed as determined by public health officials;
2. the student becomes ill with the disease and completely recovers, or;
3. the student is immunized.

According to State statutes, (Connecticut General Statutes Sections 19a-7f and 10-204a) no student may register for classes without proof of immunization or a statement of exemption. Students seeking an exemption on the basis that a given immunization is medically contraindicated must attach a statement to the form signed by their physician stating that in the physician's opinion, such immunization is medically contraindicated and why it is contraindicated. In addition, the student should complete the following statement and return it to the Tunxis Admissions Office.

*I am submitting the **enclosed documentation** from a physician that immunization is medically contraindicated. Therefore, I am exempt from receiving the required immunization as specified by the physician, and shall be permitted to attend college except in the case of a vaccine-preventable disease outbreak in the school.*

OPTION 4:

RELIGIOUS EXEMPTION

Students with religious exemptions shall be permitted to attend college except in the case of a vaccine-preventable disease outbreak in the college. All susceptible students will be excluded from college based on public health officials' determination that the college is a primary site for disease exposure, transmission and spread into the community. Students excluded from college for this reason will not be able to return to school until:

1. the danger of the outbreak has passed as determined by public health officials;
2. the student becomes ill with the disease and completely recovers, or;
3. the student is immunized.

According to State statutes, (Connecticut General Statutes Sections 19a-7f and 10-204a) no student may register for classes without proof of immunization or a statement of exemption. Students seeking an exemption on the basis that immunizations would be contrary to their religious beliefs should complete the following statement and return it to the Tunxis Admissions Office.

I hereby assert that immunizations would be contrary to my religious beliefs. Therefore, I am exempt from receiving the required immunization under Section 10-201a of the Connecticut General Statutes and shall be permitted to attend college except in the case of a vaccine-preventable disease outbreak in the school.
