WELCOME TO TUNXIS COMMUNITY COLLEGE

Thank you for choosing Tunxis Community College. Below are your next steps to finish your application process and register for courses. After you’ve read these steps carefully and clicked on the links for more information, if you have questions please call us at 860-255-3555. We will be happy to assist you.

WHAT’S NEXT?

1. PLACEMENT TESTING

Your next step is to take the College’s placement assessment which is required of all incoming students. For placement testing information or to see if you may meet one of the exemption requirements (appropriate SAT or ACT scores, a recent placement test at a CT Community College, or previous college level courses in English composition and/or math), please click here to visit our placement testing information page.

NEW TEST PREP WORKSHOPS: This is an important test. Your test results determine your eligibility to take courses with English and/or math as a pre-requisite. Preparing for the test can improve your test results and course placement level. Click here to learn about the NEW placement test prep workshops.

2. FINANCIAL AID

To be eligible for financial aid you first have to apply for aid using the Free Application for Federal Student Aid (FAFSA). You are encouraged to apply as soon as possible to ensure that your file can be reviewed in a timely manner. Financial aid is optional, but Tunxis encourages any student concerned about the cost of their education to apply for aid. Click here for information about financial aid and the application process.

3. IMMUNIZATION RECORDS

State law requires that prior to registration for classes, students enrolled in a degree or certificate program or those who attend full-time must provide proof to the college that they have been appropriately immunized against measles, mumps, rubella and varicella (chicken pox). For details and a copy of the immunization form or to see if you may meet an exemption requirement, please click here.

Immunization records must be submitted prior to scheduling a registration session.

4. PROOF OF HIGH SCHOOL COMPLETION

Students applying to the College must provide proof that they have completed an appropriately accredited high school or GED program. If you are applying while still a high school student we ask that after graduation you provide a copy of your high school diploma or transcripts that note a graduation date. If you already have a college degree (Associates or Bachelors), a copy of your college diploma or transcripts noting your graduation date may be used in lieu of the requirement that you provide proof of high school completion. If you do not have a high school degree, please contact the Admissions Office at 860.255.3562 to discuss your enrollment options.

5. COURSE REGISTRATION

NEW & TRANSFER STUDENT COURSE REGISTRATION INFORMATION: For course registration dates and times click here.
**READMIT STUDENT COURSE REGISTRATION INFORMATION:** If you previously attended Tunxis, but have been away for two or more years and now want to register for classes, please call the Academic Advising Center at 860.255.3540 to schedule a registration appointment. Please be sure to identify yourself as a “returning” student.

**TRANSFER STUDENTS:** If you are a student who has previously attended another college or university and would like to have credit(s) transferred into Tunxis you must complete a “Transfer Request Form” and submit the form to the Admissions Office. You must also arrange to have official transcripts sent directly to the Admissions Office from your previous school(s). Transfer evaluations are processed only for students enrolled in a degree or certificate program. For more information or to access the “Transfer Request Form”, please [click here].
