# About Coupon Codes

Watch out for the CAPITAL i’s (INDIA) and number one’s (1-2-3...). They can look very similar.

4. Enter your 12-character Coupon Code in the ‘Gift card or promotional code’ field.

The Total Amount Due remains $19.99 until you have completed the next step.

5. Click **Apply** and your Total Amount Due will change to $0.00.

YOUR COUPON CODE WAS NOT PROPERLY APPLIED

A payment page only appears when there is a remaining balance due. To proceed, enter your 12-character Coupon Code and Click Apply.

These areas will not be highlighted on your screen; they are highlighted in this diagram for instructional purposes.

The MSF DOES NOT provide refunds if you elect to use your credit card instead of the Coupon Code provided by your hands-on provider.

When the Total Amount Due: $0.00, proceed to the Student Release Section on the bottom half of the page and follow the instructions in Step 8.
8. In order to complete the registration, you must read and agree to the Student Release by checking the ‘I Accept’ box. To activate that checkbox, you must first read the release by scrolling to the bottom of the inset document.

If you cannot click on the ‘I Accept’ box, make sure you have scrolled to the end of the waiver (and not just the bottom of the Enrollment page).
