Ability Based Education (ABE) Statement	At Tunxis Community College students are assessed on the knowledge and skills they have learned. The faculty identified the General Education Abilities critical to students' success in their professional and personal lives. In every class, students are assessed on course abilities, sometimes program abilities, and in most cases, at least one General Education Ability. Students will receive an evaluation of the degree to which they have demonstrated or not demonstrated that General Education Ability.			

<p>Catalog Course Description:</p>	<p>Designed for students who want to improve and expand their knowledge of vocabulary used in conversational English and Academic Writing prior to taking Composition (ENG*101). Vocabulary Development is an intermediate course that focuses on improving the comprehension and use of appropriate vocabulary to strengthen academic reading and writing skills. Within the reading component, students will utilize context clues and dictionary definitions to strengthen their comprehension of text material. Within the writing component, students will explore the distinctions between the literal and figurative meanings of the words through the use of a dictionary and thesaurus. Further investigation of appropriate vocabulary usage will be explored through the study of prefixes and suffixes, synonyms and antonyms, idiomatic expressions, phrasal verbs and words commonly confused. Instruction in all areas will be focused on incorporating these skills into academic writing assignments. This course is a Humanities Elective.</p>
