Ability-Based Education (ABE) Statement:	At Tunxis Community College students are assessed on the knowledge and skills they have learned. The faculty identified the General Education Abilities critical to students' success in their professional and personal lives. In every class, students are assessed on course abilities, sometimes program abilities, and, in most classes, at least one General Education Ability. Students will receive an evaluation of the degree to which they have demonstrated or not demonstrated that General Education Ability.										
Catalog Course Description:	Provides students opportunity to apply new media literacy and project building abilities in production environments. Students will work with a variety of communication media, such as video, podcasting, and social software. Supplementary documents should be supplied with this course documenting the agency or body for which work or service agreement is applicable; the nature of the work or service to be completed or the goals to be met; the nature of assessment.
