**ANNOUNCEMENT OF ANTICIPATED POSITION OPENING**

**POSITION:** ASSISTANT PROFESSOR – Computer Information Systems/Cybersecurity  
(Full-time, 10-month, Tenure-Track Position)

**ANTICIPATED STARTING DATE:** August 2020

**MINIMUM QUALIFICATIONS:** Master’s Degree from an accredited institution in Computer Science, Information Technology, Networking, Computer Information Systems, Cybernetics, or related field. Two (2) years of professional experience directly related to the job assignment. Candidates must have the ability to communicate and work effectively with an ethnically and culturally diverse campus community.

Applicants who do not meet the minimum qualifications as stated are encouraged to put in writing precisely how their background and experience have prepared them for the responsibilities of this position and by providing appropriate references.

**PREFERRED QUALIFICATIONS:** CIS Security certifications and/or designations. Demonstrated knowledge of secure network design and implementation. Teaching experience including at least two (2) years of community college or above; either part-time or full-time. Experience in teaching online courses.

**RESPONSIBILITIES:** Teach 30 credit hours of Computer Information Systems, Networking, Network Security and/or other Cybersecurity related type courses. These courses will require participation as a faculty member at Tunxis Community College. Release time will be given during year one to develop a Cybersecurity Program for Tunxis Community College. Related responsibilities include curriculum review and development, professional development, student advising, assessment, community outreach, K-12 collaboration, and NECHE reviews and assessment. Participate in discipline, department, college, and system meetings and committees. Teaching responsibilities may include evening or online courses. Perform additional responsibilities in accordance with an approved plan. Coordinate the testing facility associated with the Cybersecurity certifications. May be required to attend Cybersecurity related conferences.

**MINIMUM SALARY:** $ 64,291 approximate annual, plus excellent State supported fringe benefits.

**TO APPLY:** Submit a detailed letter of interest, a completed CSCU application (available here: [http://www.ct.edu/files/pdfs/Employment-Application.pdf](http://www.ct.edu/files/pdfs/Employment-Application.pdf)), a statement of teaching philosophy, current resume and the names and contact details of three (3) professional references electronically to: tx-hr@tunxis.edu Search #123406

**APPLICATION DEADLINE:** Application materials must be received by 3/31/2020
