Semester Fresh Start Becomes Effective: \_\_\_\_\_

The purpose of the Fresh Start Option is to offer a second chance for students who experienced a poor start when they first began at Tunxis Community College and as a result did not continue.

If accepted, the student will receive credit only for the courses with a grade of "C-" or above (policy revision effective Fall 2006), including "P" (Pass). All courses and grades will remain on the student's academic record with an additional notation of when the Fresh Start Option became effective. Fresh start will be applied to ALL courses taken previously, even if completed satisfactorily, at the end of the semester that the student returns.

The student must complete a minimum of 15 credits after returning to Tunxis Community College under the Fresh Start option to be eligible for a degree or certificate, and for graduation honors.

This option does not apply to any completed degree or certificate and cannot be rescinded once done.

Please check requirements for any Allied Health programs. Note: C- is not an acceptable grade for any science course and in some programs for math or English composition.

## Fresh Start Guidelines for Acceptance

- A Fresh Start candidate must have a previous cumulative G.P.A. from Tunxis below a 2.0.
- A student has to be absent from Tunxis for 2 or more academic years and be returning on probation or academic suspension.

**NOTE: Using the Fresh Start Option will not automatically make you academically eligible for financial aid. Please contact the Financial Aid Office for more information.**

••• Qualified students may enact this option only once at Tunxis. •••
